Authorities and Purpose for Collecting Information: SBA is collecting the information on this form, including social security numbers and other personal information, to make a character and credit or other eligibility decision in connection with you or your company's application for SBA assistance. SBA may also use social security numbers for the purpose of collecting and reporting on any delinquent fees or other amounts owed SBA, where applicable.

For purposes of SBA's financial assistance programs, 31 U.S.C. 7701 requires loan applicants and guarantors, or any indemnitor of a surety bond to provide their social security numbers, or other taxpayer identification numbers. Failure to provide this information would affect your ability to obtain an SBA loan or bond. For other individuals signing this form, the submission of the social security number is voluntary and failure to provide your social security number may not affect any right, benefit or privilege to which you are entitled. However, your social security number or other taxpayer identification number helps SBA to distinguish you from other individuals with the same or similar name or other personal identifier. This use is permitted under Executive Order 9397. Personal information collected is protected to the extent permitted by law, including the Freedom Information Act, 5 U.S.C. 552, and the Privacy Act 5 U.S.C. 552. **Right to Financial Privacy Act of 1978 (12 U.S.C. 3401)** -- This is notice to you as required by the Right to Financial Privacy Act of 1978, of SBA's access rights to financial records held by financial institutions that are or have been doing business with you or your business, including any financial institutions participating in a loan or loan guaranty. The law provides that SBA shall have a right of access to your financial records in connection with its consideration or administration of assistance to you in the form of a Government guaranteed loan or guaranteed bond. SBA is required to provide a certificate of its compliance with the Act to a financial institution in connection with its first request for access to your financial records, after which no further certification is required for subsequent accesses. The law also provides that SBA's access rights continue for the term of any approved loan guaranty agreement or any approved bond agreement. No further notice to you of SBA's access rights is required during the term of any such agreement. The law also authorizes SBA to transfer to another Government authority any financial records included in an application for a loan or bond guarantee, or concerning an approved loan or loan guarantee or bond guarantee, as necessary to process, service or foreclose on a loan guaranty or collect on a defaulted loan guaranty, or to process or service the bond guarantee. No other transfer of your financial records to another Government authority will be permitted by SBA except as required or permitted by law.

#### Freedom of Information Act (5 U.S.C. 552)
